Comments related to committee appointments on subsequent pages:

Board (B) members are divided into four subcommittees [External (E), Finance (F), Publication (P), and WSSA Internal (W)] of four members each, excluding the President, President-Elect, and Executive Secretary. Individual members of each subcommittee are assigned as board liaisons to oversee specific committees within their group throughout the year, including reports to their subcommittee and board as appropriate. S Committees are special committees created for a short period of time. These committees can become permanent committees by action of the board after a minimum of two years.

The President is an ex-officio member, without vote, of all committees, except the Nominating Committee.

* Indicates the committee chairperson

The number after a person's name indicates the year of the February meeting when that member's term of service ends.

Letters after date indicate regional society affiliation (A - Aquatic Plant Management Society, C - Canadian Weed Science Society, NE - Northeast Weed Science Society, NC - North Central Weed Science Society, S - Southern Weed Science Society, and W - Western Society of Weed Science)

Only WSSA members may serve as members of committees other than the Local Arrangements Committee, unless the WSSA Board of Directors specifically appoints such members.
