2008 Annual Meeting in Anaheim, CA:

There are 54 posters and 107 papers submitted for the 2008 annual meeting. The annual meeting will be followed by a symposium on Arundo and Phragmites. This is in keeping with the WSWS Board decision to continue with a 1.5 day invasive weed symposia on an invasive weed of regional concern immediately following the annual meeting. The program can be viewed at the link below. Registration fees are listed below for your information.

2008 Pre-registration Fees:

- Full Member - \$195
- Full Member plus Arundo/Phragmites Symposium - \$260
- Professional attending Arundo/Phragmites Symposium Only - \$100
