Impact of committee activities/accomplishments on membership, publications, policy, education, other, etc.:
There appears to be consistency in funding from WSSA Sustaining Memberships over the last 3 years. This is noteworthy as company consolidation has occurred and profit margins has been low. We will continue to recruit and encourage involvement of the companies listed above and identify more companies to become WSSA sustaining members as well.

I participated in regular meetings of the WSSA F2 Finance Committee.

WSSA funds requested if any?
None at this time.

Current state of the committee's projects or activities?
Reviewed and sent WSSA Sustaining Membership renewal forms and letter in November 2022.
We are recruiting additional candidates for WSSA sustaining membership.

Any new information posted the WSSA website?
We request Eric Gustafson to update List of WSSA Sustaining Members for 2023.

Summary of plans for next year (changes in goals, key initiatives, plan of action, etc.):
Evaluate renewal of company WSSA sustaining memberships. Contact and recruit companies that have not renewed or have lapsed previously to encourage WSSA sustaining memberships.

Recommendations for Board or Membership action (funds or other requests):
None at this time.
