ORAL PRESENTATIONS

Format

All presentations MUST be in PowerPoint (any version) for MS Windows (PC compatible). PowerPoint 2010 will be the software used. MacIntosh/Apple formats will NOT be supported. Your presentation must be saved as a PowerPoint show file. The section chairs have requested that ALL presentations be prepared and uploaded on the abstract submission site so that preloading prior to the meeting can be accomplished (see Submission of Presentations). Please limit the size of presentations to less than 25 MB. No audio clips or sounds will be allowed. Video clips are discouraged unless absolutely necessary. PowerPoint animation is discouraged. Please contact the section chair one week PRIOR to sending your presentation if you need to use a video clip. Limit fonts used in the presentation to basic fonts, as not all machines may have the same choice of fonts. Examples of standard fonts are Times, Arial, Courier, Tahoma, or similar equivalents. Section chairs and computer operators are not responsible for changes in fonts, bullets, and other formatting at the time of presentation. Use up-to-date virus protection software to avoid infecting the computers provided by the section chairs.

Submission of Presentations

Presentations must be uploaded on the submission site prior to the meeting. Section chairs must receive the presentation at least one week in advance of the meeting (no later than February 2, 2015). Please coordinate with your section chair if you want to preview your presentation at the meeting to ensure that the formats/fonts are all as you intended them to be. Due to the limited time and equipment, last minute editing is highly discouraged. Submission of files at the time of the presentation or at any other time during the session will NOT be allowed.

Equipment

A Windows PC laptop computer and projector will be provided for each session. Presenters will NOT be allowed to use their own computers in the sessions. If possible, computers will be located on the podium in each session. If this is not possible, an infrared remote providing forward and backward control of the PowerPoint presentation will be provided in each session.

Be alert to changes, modifications, and refinements to these guidelines between now and the meeting. This information will be published in the October and January issues of the WSSA Newsletter. For non-WSSA members, the WSSA Newsletter is available on the WSSA website (http://www.wssa.net).
POSTER-PRESENTATIONS

POSTERS
The information presented as a poster is very similar to that presented as an oral paper, but it is presented on poster board rather than orally at the meeting. Directions for preparing a poster can be found under POSTER SESSION (see below). The difference between a poster and a commercial exhibit must be clearly understood. The commercial exhibits are presented by Sustaining Members of WSSA and consist of educational information of a promotional nature about products or services. Posters may be presented by personnel of the same sustaining member companies and may concern commercial products, but they must present results of completed research with these products rather than promotional material about them.

POSTER SESSION
There may be split sessions for presentation of posters. In addition to specifying Poster Session, authors should indicate a category from Section 1 through 14. Poster presentations will be grouped by these categories.

1. Authors are expected to be at their poster during the period reserved for viewing the poster to answer questions and to discuss their research with interested parties.

2. Participants in Section 15, the Poster Session, will meet at a location designated in the program before the Poster Session begins to elect a chair-elect of the section for 2016 (Section Chair in 2017) and discuss recommendations for improvement of the Poster Session.

3. Poster Boards. One board 48 x 48 inches will be provided for each poster. There will be no exceptions to the rule of one board per poster. Posters should be no larger than this size.

4. Content of Paper. Text, graphs, and tables must be easily read from a distance of 6 feet. Titles and headings should be larger and readable from a greater distance.

5. Because of cost and logistics, it will not be possible to provide electrical connections, video equipment, or other special equipment for posters.

6. Groups of authors may present more than one poster, but at least one author must be present at each poster during the time designated for viewing the poster.

SECTION CHAIRS FOR 2015 PROGRAM

General Program Chair
Dallas Peterson
Kansas State University
Department of Agronomy
2014 Throckmorton Hall
Manhattan, KS 66506
dpeterso@ksu.edu

Vice Chair
Kevin Bradley
University of Missouri
201 Waters Hall
1. AGRONOMIC CROPS
Jonathan Huff
Dow AgroSciences
14374 Murphy Circle West
Carmel, IN 46074
jahuff@dow.com

2. HORTICULTURAL CROPS
Calvin Odero
University of Florida
3200 E Palm Beach Rd
Belle Glade, FL 33430
dcodero@ufl.edu

3. TURF AND ORNAMENTALS
Patrick McCullough
University of Georgia
1109 Experiment St
Griffin, GA 30223
pmccull@uga.edu

4. PASTURES, RANGELANDS, FORESTS AND RIGHT –OF-WAYS
Joe Omielan
University of Kentucky
Plant and Soil Sciences
1405 Veterans Dr., Rm 417
Lexington, KY 40546
joe.omielan@uky.edu

5. WILDLAND AND AQUATIC INVASIVES
John Madsen
USDA-ARS
Univ. of California-Davis
Plant Sciences, Mail Stop 4
Davis, CA 95616
jmadsen@ucdavis.edu

6. REGULATORY ASPECTS
Chris Dionigi
US Dept of Interior
1201 Eye St NW, Ste 570-1
Washington, DC 20005
chris_dionigi@ios.doi.gov

7. TEACHING AND EXTENSION
Todd Baughman
8. FORMULATION, ADJUVANT AND APPLICATION TECHNOLOGY
Susan Sun
Akzo Nobel
281 Fields Ln
Brewster, NY 10509-2676
susan.sun@akzonobel.com

9. WEED BIOLOGY AND ECOLOGY
Carlene Chase
University of Florida
Horticultural Sciences Department
PO Box 110690
Gainesville, FL 32611
cachase@ufl.edu

10. BIOCONTROL OF WEEDS
Roger Becker
University of Minnesota
Agronomy and Plant Genetics
411 Borlaug Hall
1991 Upper Buford Cir
St. Paul, MN 55108
becker003@umn.edu

11. PHYSIOLOGY
Roland Beffa
Bayer CropScience
Industriepark Hoechst
Frankfort/Main
Germany D-65926
roland.beffa@bayer.com

12. SOIL AND ENVIRONMENTAL ASPECTS
Harry Strek
Bayer CropScience AG
Weed Control Research
Industriepark Hoechst, H 872
Frankfurt, Germany 65926
Harry.Strek@bayer.com
13. INTEGRATED WEED MANAGEMENT
   Anil Shrestha
   MS: M/S AS72
   California State University
   Dept of Plant Science
   2415 E. San Ramon Ave.
   Fresno, CA 93740
   ashrestha@csufresno.edu

14. SUSTAINING MEMBER EXHIBITS
   Steve Gylling
   Gylling Data Management, Inc.
   405 Martin Blvd
   Brookings, SD 57006
   steve@gdmdata.com

15. POSTER SESSIONS
   Reginald Fletcher
   Crop Production Systems Research Unit
   P. O. Box 350
   Stoneville MS 38776
   reginald.fletcher@ars.usda.gov
