The 2009 SWSS annual meeting will be held in Orlando on Feb. 8-13 in conjunction with the WSSA annual meeting.

2008 Weed Contest

The 2008 SWSS Weed Contest was held on August 6th and was hosted by Greg MacDonald and Jay Ferrell with the University of Florida at a Plant Science Research and Education Center in Citra, FL. A total of 26 students participated from Auburn University, Louisiana State University, University of Arkansas, Mississippi State University, University of Tennessee, and Oklahoma State University.

2009 Weed Contest

The 2009 SWSS weed contest will be hosted by Eric Prostko and Stanley Culpepper at the University of Georgia research station in Tifton, Georgia. The contest will be held August 4th and 5th. Eric and Stanley are already making preparations for the contest and Eric attended this year's contest to get some ideas. It should be a challenging and excellent contest.
