Summary of Activities

- What were the committee's goals for 2012? Propose (and hopefully organize) a symposium on DRT and Application Technology for the 2013 WSSA meeting.
- List the committee's accomplishments (since the last annual meeting): Greg Dahl organized a team that proposed and organized the symposium.
- What information was posted on the WSSA website? None
- What amount of funds were requested? How much was spent? No funds were requested or spent for committee work outside of the symposium
- What was the impact of the committee activities/accomplishments on the following: membership, publication, policy, legislation, and/or education? Symposium will provide a venue for additional education for committee members on application issues.
- What is the current state of the committee's projects and activities?
 - The committee has been asked to revise the Adjuvant section of the *Herbicide Handbook*. That will be the primary discussion of the committee at the meeting in Baltimore.

- There is interest among members of the committee in preparing a new edition of Adjuvants for Agrichemicals, but a champion willing and able to spearhead the project has not yet emerged.
