To: John Jachetta, WSSA President
Report: Awards Subcommittee – Teaching award

John,

Below is the list of committee members who served 2010-2011 for the WSSA Teaching award. All were very helpful in ranking the nominations. Tim Prather was a substitute for Scott Nissen of Colorado State University as he was on sabbatical in South America. All regions were represented with a committee member.

Timothy Grey	University of Georgia, Chairman
Robin Bellinder	Cornell University
Bob Gulden	University of Manitoba
Kent Harrison	The Ohio State University
Tim Prather	University of Idaho
Ted Whitwell	Clemson University

After one year of no nominations as the chairman, I solicited my committee to encourage their peers to nominate deserving individuals. This resulted in the following list of nominations:

Scott Glenn	University of Maryland
Greg MacDonald	University of Florida
Tom Mueller	University of Tennessee
Steven Shirliffe	University of Saskatchewan
Bill Vencill	University of Georgia

The committed did an excellent job of evaluation, ranking the candidates in order from first to fifth, returning all of the nominations by November 1, 2010. I forwarded the committees decision on to the awards chairman, Lori Wiles.

Sincerely,

Timothy Grey
