¹ Refers to position and duties as cited in MOP

² The year listed after the name signifies that the term will end after the WSSA Annual Meeting concludes in that year.

Executive Committee Members

Contract holders:

Management: Interactive Management, Inc.
Investments: Jeff Holloway, Raymond James
Website: David Krueger

Comments related to committee appointments on subsequent pages:

Committee Membership

1. Only members of the WSSA may serve as members of WSSA committees, other than the Local Arrangements Committee, unless such members shall be specifically appointed by the Executive Committee of the Board of Directors.
2. Each committee will consist of a minimum of a chair and four other members, each appointed to a renewable 3-year term. Chairs may serve for only two consecutive terms. Where possible, committee membership will reflect the diversity of society membership.
3. An individual may be appointed as a member of more than one Committee or Special Committee.
4. Members may volunteer for committee service through the website or by contacting the committee chair and Vice-President. New committee members are appointed annually.
5. Replacement of a committee member during a normal term requires agreement of at least four members of the Executive Committee. Any committee member so replaced can be reinstated, for their current term only, by successful appeal to the Board of Directors via the President. The President is required to direct the appeal to the Board of Directors and reinstatement will require approval by a simple majority of the Board of Directors who vote.
6. The President is an ex-officio member, without vote, of all committees, except the Nominating Committee.

General Guidelines for Committees

1. Board Liaison. Each committee is assigned to a Board Liaison. It is the responsibility of the Board Liaison to contact the committee chairs on a regular basis to provide guidance and receive updates on committee progress. The liaison should also be invited to attend all committee meetings and conference calls.
2. Committee Chair. The Committee Chair is responsible for organizing a meeting to be held during the Annual Meeting and/or regular conference calls and other activities to accomplish the purposes of the committee. S/he should provide regular communication with all committee members and the Board Liaison assigned to the committee. In addition, the Chair should provide a written report of committee accomplishments and needs one month prior to the Annual Meeting to be reviewed by the Board of Directors.
3. Committee descriptions. Committees should review the descriptions and responsibilities in the MOP annually. Where adjustments to the description in the MOP are appropriate to better accomplish the work of the committee and the WSSA, revisions may be recommended to the Board of Directors for consideration.
4. Only members of a given committee have voting privileges on matters requiring a vote.
5. The year listed in the "Term Ending" signifies that the term will end after the WSSA Annual Meeting concludes in that year. Therefore, if "2023" is the term ending year, then the individual will rotate off the committee after the Annual Meeting, typically in February of that year.
